## WATER PLAY ELEMENTS

Our unique Empex water play elements will provide hours of fun in your pool. Whether you're looking for individual elements or a fully-fledged spray park, Varioplay is the place to be. We are the exclusive supplier of Empex Watertoys in the Netherlands and Belgium, and true experts when it comes to having fun in the water.

Empex play elements are durable and have a long lifespan. The materials are resistant to salt water and chlorinated water as well as rust and corrosion. Empex play elements are easy to maintain and very easy to install, without requiring complex tools or foundations. Naturally, all play elements have been tested for safety, so that children can play carefree.

Bring your pool to life by installing an interactive aquarium projection on the pool floor. When you touch the floor, the fish will scatter or follow your movement! We can offer a wide range of personalised projections: why not add your logo?

Children and their parents will never tire of the colourful, interactive water play elements and slides in your complex. Our product range is incredibly diverse and all elements can be combined with each other in various ways. We would love to help you make the best choice for your pool.
