PRIVATE POOLS

PRODUCT DESCRIPTION

All our experience of the last half a century we also apply to the private market sector of swimming pools. Our movable floors can be used in a variety of possibilities. Just imagine that your floor doubles as a dancefloor or a terrace. The possibilities are endless. When your guests are leaving you simply lower your movable floor and your pool is ready for use.

Just set the right depth on your LED-waterdisplay and take a swim. A private pool with a movable floor is multi purpose and a asset in your house. Let us show what we can do for you and make a appointment with one of our sales managers to inform you on all the possibilities we can offer. Variopool is a marketleader in movable floors and our knowledgebase is well known.
